picture

A map is a picture.

It tells a story about a
place and its **space**.

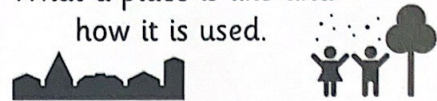

place

Where somewhere is.

space

What a place is like and
how it is used.

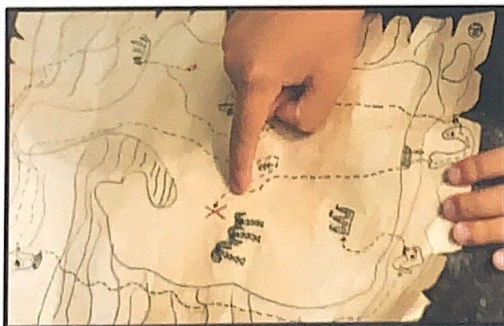

A map tells a story of an imaginary or real place and its space.

Imaginary

Real

fieldwork

Exploring a place and describing its space.

Use **Digimaps for schools** to look closely at your school and local area

This is a map (Ordnance Survey OS)

This is an **aerial** view (from the air)

North always points to the top of the **OS** map page
