

BUCKLESHAM BULLETIN

Bucklesham Primary School

1st March 2024

Dear Parents/Carers,

Reminders

- Don't forget to wear pyjamas next Thursday 7th and bring in your favourite book. Parents are welcome in from 2pm with a book to share and a chance to chat to Miss Taylor about the importance of reading and a good bedtime routine. Please bring a book to share if you would like to.
- Please send in your physical activity sheets (KS2 children only) and your Parents Evening slips to book your appointments.
- The World Book Day £1 book tokens will be given out today, so please look in your child's bags for them.
- Thank you to parents who are parking safely without parking in the bus stop, on the yellow lines and on the yellow zigzags. You are making a difference to the safety of our school.
- Wellbeing Ambassadors have a poster competition from now until Easter to design and make a poster to give a wellbeing message. These posters will be displayed in school and on the website. Please give entries to Miss Nash.

Curriculum Enrichment

The ten-pin bowling team from Ash enjoyed themselves this week at Martlesham Kingpin Bowling Centre; it was nice to see the children improve their skills as the afternoon went on. Oak class performed their class dance on the theme of animals to the whole school; they were very confident, and we enjoyed their performance.

New learning behaviours

We hope you have seen some improvement in your child being responsible at home! Well done to Mila, for using active listening during lessons and always being ready to learn and to Avianna, for listening when the teacher is helping her and acting on their advice. Well done to Lydia, for acting on handwriting feedback and improving her handwriting and to Dougie, for making good choices with your learning and behaviour. Next week it is: **I persevere.**

Celebration Assembly

Willow shared their maths investigation of making number bonds for 10 using Numicon and recording these sums in their books independently.

Oak shared their first lesson on materials in Science, where they had been identifying different materials and what things are made of and using adjectives to describe them.

Yew shared their French learning about weather words in French and did a quiz.
